The Annual Percentage Yield (APY) is accurate as of July 20, 2018. APY is the effective rate your money will earn if it remains on deposit for a full year at the same annual interest rate and if all interest is left in the deposit account. A penalty may be imposed for withdrawal before the maturity date. Membership in Maple FCU is required in order to open a share certificate account. New money is money that has not been on deposit with Maple FCU within the last 60 days. A maximum total of \$3 million dollars in new share certificate deposits will be accepted at these new money rates. Once the maximum has reached the rate will fall to the existing deposit rate at that time. Federally Insured by NCUA.
