

SAVE *the* DATE

Our 2021 annual meeting is going virtual again, and is scheduled for **Wednesday, March 17 at 6:15pm.**

Please visit maplefcu.net/annualmeeting to RSVP.

While the annual meeting will be held virtually again this year out of concern for the health and safety of our members, board, and staff, we do have some fun things planned and prizes to give away.

Be sure to RSVP and join us!

IMPORTANT!

You will soon receive a new debit card!

For members that currently have a Maple debit card, be on the lookout for a new debit card in your mailbox in early July.

In order to make sure you receive important information about this change, and that you receive your new debit card on time, please make sure your address, phone number and email on file with us are correct.

Not sure if your information is correct?

You can call or drop by to verify that we have your most up-to-date information. If you have recently moved or any doubt that we have the correct information you can log in to your online banking or mobile app and make your changes by clicking User Profile>Settings> Edit/Change.

Your new card will have a completely new number and look, complete with EMV and contactless capabilities.

Once this change takes place we will have the ability to instantly issue cards, which will eliminate wait time if you ever need to replace a lost or stolen card.

Watch for more details on our improved card program over the coming months. We'll send you email updates and communicate progress via social media and our website as well.

Best of all? Applicants who qualify for Maple scholarships also qualify for additional scholarship opportunities with the Lafayette Chapter of Credit Unions for an additional \$3,000 in scholarships.

We will begin opening the branch at **9AM EVERY TUESDAY**. We'll be using this time to meet together as a team to better serve you!

Need a fresh start? We have the solution!

The holidays are over. How's your wallet looking? Maybe you said "yes" to that [store credit card](#) just to get that 20% discount. Maybe you got your first statement of the new year and felt the familiar twinge of buyer's remorse. Either way, the **new year is here, and those bills will keep rolling in.**

Between shaky finances, COVID-19, and holiday expenses, **many of us are off to a challenging start to 2021.** Luckily for you, you're in the right place—because Maple FCU is the perfect place for imperfect people.

We could talk about our [personal loans](#) with [low-interest rates](#) and flexible payments. We could tell you about our [Maple FCU Visa® Credit Card](#) with an interest rate less than half of the national average of those big box store credit cards. But we'll save that. **We want to know where you're feeling the financial pain so we can make the right plan for you.**

Call **337-233-6264** or fill out the form online to schedule a time to speak with one of our experienced financial solutions providers. We'll make sure 2021 can be one of your best years yet.
