By signing below, you hereby authorize Maple FCU to defer your loan payment by one month which extends the terms of the loan resulting in an extra payment after your loan would otherwise be paid off. Interest will continue to accrue at the rate set forth in the loan agreement on the outstanding loan balance. Regular payments will resume on the first regular payment date of the month following the skip. If the loan is paid through payroll deduction or ACH distribution the funds will default to your overflow (savings or checking) account. If previously elected, Credit Life and/or Credit Disability premiums will continue being added to the loan during the extended term in order for benefits to continue. If you have Guaranteed Asset Protection (GAP) insurance on your vehicle loan, the coverage will not extend beyond the original maturity date of the loan nor will GAP cover the deficiency balance arising from skipped payments as disclosed in the Guaranteed Asset Protection Contract.
