MAPLE QUARTER 2 NEWSLETTER

## REAL PEOPLE. REAL DIFFERENCES.

We always strive to make concrete changes and improvements in each and every member's life, but we also believe it is important to contribute on a community level. With that in mind, Maple is taking a look back! Let's look back on some of the real people who made or experienced real differences thanks in no small part to Maple members just like you.

### \$14,875 in Donations

were made in 2023 to community organizations, schools, and groups, such as the D.R.E.A.M.S Foundation of Acadiana.

This remarkable org is currently accepting donations for **SOLA Giving Day 2024**.

SOLA Giving Day 2024 is **May 2**, but early giving is now open. Give early or be sure to **mark your calendars!**

### \$50,000 in Scholarships

have been awarded since we began offering scholarships in 2016.

**\$40,000** in scholarship funds were awarded to 32 student members from 2016 through 2023.

2024 saw scholarship awards increase, **2 prizes at \$2,500 each and 1 at \$5,000.**

### 4 Members

have received "paid car payments for a year" since 2019.

Accomplished thanks to the Lemons to Lemonade auto campaign.

Total of **\$9,680** in payments saved 2019-2023.

Lemons to Lemonade will return in June! **Will you be our lucky winner this year?**

### 300+ Hours
